The CCGB constitution has been reviewed and updated. This is essentially the framework under which the club operates and includes guidance for things such as objectives for the club, our financial procedures and definition of each of the roles within the committee.

It has been uploaded here for any club member to review, and was approved as our official constitution at the end of May 2015. If you do have concerns or need clarification on any of the points in the constitution, please do not hesitate to contact the club secretary by email at secretary@corradoclubgb.co.uk or make a post on the forums.
